What we did in class today: Tuesday September 4, 2012

- Agenda for the week.
- Reminder about Wednesday's pictures and Friday's Safety Assessment.
- How I might grade your classwork performance.
- Entry Task:** Questions from the Galileo homework reading from last week.
- I will be making you a Discovery account in the coming weeks to do homework.
- Galileo Reading Re-arranging:** Partners will take each sentence of the Galileo reading and put the essay back together. As we work I'll give you hints to guide you. We'll review the value of a topic sentence and it's role in a paragraph.
- Galileo clip:** We watched a 2 minute clip about his life.
- Ask Galileo:** students will each write down two questions that they could ask Galileo after reading the article and viewing the clip.
- Students will take turns being Galileo and answer their partners questions.
